

## Quiz 4

Please answer these questions and submit your .RMD file and .PDF file (may require `tinytex` to compile) to D2L.

1. What has been the best part of this class?
2. What has been the worst part of this class?
3. Does the online / virtual attendance option improve your learning experience for this class?
4. How is the balance between lecture and lab days? Would you prefer more of either during the remainder of the course.
